

Original poetry written by Loretta Brunetti

TOGETHER

Together thru all kinds of weather
Thru highs and lows
We can take the blows
We are cancer strong
Taking anything that comes along—
We will stick together thru thick and thin

THESE SHOES

These shoes have walked for many miles
Thru ups & downs & many smiles
The path that they have led me on
Has been filled with promise & with song
So for today I have no blues
Cause I know God put me safely in these shoes

CELEBRATE LIFE

Celebrate Life
Is finally here
So many reasons
To stand up and CHEER.
So many BLESSINGS
From up Above
It's just God's way
of showing His Love.
With GOD & CTCA
together as a team
Our Cancer journey's
Not as bad as it may seem...
So we Celebrate Life today
We're so grateful for the Blessings
that have come our way...

CTCA—PATIENT PRAYER

Dear GOD, thank you for leading me here
To be in these excellent doctors hands, without any fear
With caring nurses around me, to wipe away a tear.

Increase my strength, to undergo my tests
Calm me down, I know I'm here with the BEST.

When I have a doubt or a fear
Give me a nudge and let me know YOU are near.
And when I'm all through and I'm going to be OK
Thanks to everyone here at CTCA.

We are here—with a helping hand

We are here—to give you hope
We are here—and we are "STRONG"

Health, Hope & Inspiration is a weekly radio broadcast, sponsored by Cancer Treatment Centers of America®(CTCA), designed to help people find answers to questions about cancer, cancer prevention and overall healthy living. One of the greatest gifts a person can enjoy is good health. A well-rounded lifestyle is the product of physical, emotional and spiritual health. These three things are interdependent, and that is the message of *Health, Hope & Inspiration*, as well as the basis of the integrative approach at CTCA®.
